

Department of Children & Youth

Child Match: Live Demo with Q&A
May 7, 2024

AGENDA

1 / Review of Child Match

2 / Questions

CHILD MATCH (FORMERLY BULLETIN BOARD)

Goal:

- Develop a system to facilitate streamlined communication and improve inefficiencies in the process for finding placements for youth and children.

Recent Updates:

- ✓ **Initial Phase:** Deployed on May 2, 2024
 - Community portal to create posts initially utilized by County PCSAs. Recommending Agencies will review through OCAF and express interest in youth.
- ✓ **Integration Phase:** Bi-directional integration with Ohio SACWIS anticipated August 2024
 - Posts will automatically be generated from the Ohio SACWIS Individual Child Care Agreement.
- ✓ **Future Phases:**
 - Agencies will have the ability to link the posts to facilities and homes, not just the agency.
 - Improved data, analytics, and matching algorithms.

Additional Sibling Placement Need

Would you Like to create a need for test test's sibling?

You indicated that test test has siblings. If the sibling does not have a Child Match post, you can create one now.

You can also create a sibling placement need later by editing your post and adding a sibling.
